	am	09:00 - 10:30	Introduction with workshop	Formal introduction: Short intro from Beta and local administration followed by	Representatives of FAUT- Cristian	Diver Herre
			overview	a presentation about the week ahead from Space Saloon. Softcover focus variables will be assigned, with the choice to collaborate.	Blidariu, OAR Timiş	River House
		10:30 - 13:00	City Tour: Public squares and	This tour of the historical city centre and its surrounds reveals the area's	Roxana Patrulescu + Sandra Andrei	Timișoara, City
			the city map	evolution and significant buildings, providing an insightful overview of the city's	https://turdearhitectura.	
				rich and diverse heritage. It explores the dynamic relationship between the city's identity and its inhabitants' needs, highlighting their mutual influence.	ro/en/tururi/pietele-si-harta-orasului- patrimoniu-asteptare/	
	pm			Participants will gain an understanding of urban design fundamentals by		
		44.00 45.00		examining this interplay between humans and their local context.		
		14:00 - 15:30	Lunch	Presentation about Space Saloon's work, along with Q & A about the week	Space Salaan	Restaurant Loyd
		16:00 - 18:00	Presentation: Space Saloon	ahead.	Space Saloon	River House
	eve	19:00	Dinner			
		08:00 - 09:00	Breakfast			River House
<b>3</b> Sun, 28 July		09:00 - 12:00	Workshop 1: Site specific	This workshop explores your interaction with your surroundings, using	Space Saloon (Rebecca, Gian and	
	am		performance and improvisation	performance and improvisation as methods to engage with the city. Through a series of timed journeys, participants will uncover ideas and inspiration for their	Danny)	River House & surrounds
			miprovioación	Softcover projects. The day includes sourcing materials and media content,		
				encouraging participants to get inspired, react, and perform.		
		12:00-14:00	Lunch + Break			
	pm	14:00 - 17:00		Upon returning to the River House, we will create quick mock-ups (spatial installations/performances) inspired by our discoveries, to be presented for		
				discussion.		
	eve	19:00	Film Screening + Dinner	Romanian film		
<b>4</b> Mon, 29 July		08:00 - 09:00	Breakfast			River House
		09:00 - 12:00	Workshop 2: Material	This workshop begins with a presentation and collective brainstorming session	Space Saloon	
	am		inventory & space planning	on mapping and cataloging. Participants will analyse, plan, and organise their collections, establishing relationships between the house and the city based on		
				what has been documented thus far. The day includes an excursion to continue		
		12:00- 14:00	Lunch I Deselv	their collection of materials and media.		
	pm	14:00 - 17:00	Lunch + Break	Continuation of workshop.		
	91/9	19:00	Dinner	Continuation of workshop.		
	eve	08:00 - 09:00	Breakfast			River House
<b>5</b> Tues, 30 July		09:00 - 12:00	Workshop 3: How to curate	Cosmina is an architect, curator, and editor with a research and curatorial focus	Cosmina Goagea	NVCI HOUSE
			an exhibition	on museum exhibitions, art as an urban practice, place-making through cultural		
	am			interventions, bottom-up city-making, and cultural strategies for urban development. This workshop reviews the fundamental elements of curatorial		
				discourse and includes exercises to support the meaningful and spatially		
				coherent assembly of the various artistic interventions, which will be installed		
		12:00 - 14:00	Lunch + Break	in the house on the river bank, along a visiting route.		
		15:00 - 16:00	Independent Work			
	,	16:00 - 17:00	Presentation: Covering	Timișoara verde-albastră is a platform of care and responsibility over suburban	Loredana Gaiță	
		10.00	knowledge of blue-green	natural resources. The initiative starts from the specificity of the geographical	Loredana darça	
	pm		networks	and historical context of Timişoara and links it with the best practices of		
				nature-based approaches to urban development. The benefits of a new blue- green network, a system of ecological corridors, are wide, but its		
				implementation is complex. Our initiative researches and disseminates the		
				relevance of this approach, building momentum through bottom-up interventions and top-down dialogue.		
		18:00 - 21:00	Boat Tour + Dinner on board	The boat tour will provide a direct exploration of the Bega River, naturally	Pelican boat	
	eve			following the discussion on blue-green infrastructure. This informal gathering will allow participants to explore this dimension in a relaxed way, with music		
				and social interactions		
		08:00 - 09:00	Breakfast			River House
<b>6</b> Wed, 31 July	am	09:00 - 12:00	Mid-reviews & feedback		Tijana Mačkić from <u>TEN Studio</u> , Cristian	
			session		Blidariu, Oana Siminioescu	
		12:00 - 14:00	Lunch + Break	TENLOSII	Tilene Mar Yilli frank TSN Or II	
		14:00 - 17:00	Workshop 4: Playing with References	TEN will present their peer-network practice and a selection of their projects, specifically referencing active reuse. Tijana, who's doing a PhD on architectural	Tijana Mačkić from <u>TEN Studio</u>	
	pm			references, will prompt the participants with a short workshop to solidify their		
	01:	19:00	Dinner	projects, in particular to clarify the "covering" process.		
	eve	19:00 08:00 - 09:00	Dinner Breakfast			River House
<b>7</b> Thurs, 1 Aug	am		Project development and		Space Saloon	- TOUSE
	L	35.55 - 12.00	execution		outoo	
		12:00 - 14:00	Lunch + Break			
		14:00 - 17:00	Workshop 5: Multi-sensory	Sensory is a powerful tool in the hands of designers. We dedicate the workshop	FALA - Kamila Szatanowska and	
			space perception	to her. How do invisible layers of space shape our everyday life? What we don't see is what keeps us safe, determines our emotions and	Paulina Rogalska	
	pm			influences building relationships. The workshop will gently close your eyes and		
				direct your attention towards your ears, nose and skin. The meeting consists of five parts - an introduction to working with your own body, mindfulness		
				training, mapping invisible layers of space and creating a common, sensory map		
				of the AAVS house with a closing ritual. We invite you to be mindful together.		
	eve	19:00	Dinner			D
<b>B</b> Fri, 2 Aug	am	08:00 - 09:00	Breakfast		Space Salace	River House
	aiii	09:00 - 12:00	Project development and execution		Space Saloon	
		12:00 - 14:00	Lunch + Break			
	pm	14:00 - 17:00	Project development and			
			execution			
	eve	19:00	Dinner			
Sat, 3 Aug	am	08:00 - 09:00	Breakfast			River House
	1	09:00 - 12:00	Final Presentations		Christopher Pierce (AA), Oana Siminioescu, Cristian Blidariu	
	pm	12:00 - 14:00	Lunch + Break		omminoescu, olistiali budafiu	
		14:00 - 17:00	Final Presentations			
		19:00	Party + Dinner
